Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to giving top quality and new design concepts so as to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design concepts as proven in their product development. They enjoy offering items that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements along with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

The employees at TREK and their dealer-partners are really dedicated to having both parts and technical support available when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machinery functioning and ready day after day is top priority. The company's top of the line technology delivers reliable machine which eventually lessens your cleaning cost. The product, the price and the service all work together to make them an industry leader.
