

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Part - Ingersoll Rand offers solutions, services and products to be able to increase the productivity and ensure efficiency within industrial, commercial and residential environments. They pride themselves in delivering products so as to enhance the safety, comfort, security and health of people all around the world all through their four worldwide segments.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a maker of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting services, parts support and advanced controls used for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies sector provides products and solutions which improve their clients' productivity, operations and energy efficiency. The product series is diverse ranging from tools and pumps, fluid and material handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in golf and utility vehicles for people and companies.

Well-known brands like for instance Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all over North America. Some of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

Ingersoll Rand' Security technologies provide products which ensure safe, productive and secure environments. This division's market leading products include floor and door closers, portable security devices, exit devices, biometric and electronic access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Schlage also has products that provide attendance, personal and time scheduling systems.
